Firewall Certification

ICSA Labs is pleased to announce that

Astaro AG

Amalienbadstrasse 36/Bau 33a
76113 Karlsruhe
Germany

is recognized as having achieved Firewall 4.1 Certification Corporate Category for

Astaro Security Gateway

The Astaro Security Gateway, like all products and product groups that are granted ICSA Labs Firewall Certification, will remain certified on this and future released versions of the product for the length of the testing contract. Future versions continue to be certified since the product is continuously deployed in the Network Security Lab and is subject to periodic spot-checks on the most current product version.

Renewed this 30th day of June 2008

Certificate number: 050032R04

Valid through June 29, 2009
