

Astaro Photo Competition 2010

Whether you spend your summer on a sunny beach, on a snowy mountain, at home or at work, share how you spent your „orange summer“ by submitting your picture. Only one condition: The Astaro sunglasses need to be in sight on it, so wear it yourself or do anything else with it.

The five pictures rated best by our community will each **win a pair of Ray-Ban RB3183 sunglasses worth \$149 each!** Participation deadline is 15th September 2010.

How it works:

- 1 - Print out this sheet.
- 2 - Cut out the sunglasses.
- 3 - Glue the arms to the front part.
- 4 - Take pictures with the glasses in sight.
- 5 - Upload the best picture via www.astaro.com/orangesummer
